EXPERIENCE LETTER

To Whom It May Concern,

This letter certifies that **Digvijay Rajendra Mohite** successfully completed a **6-month On Job Training** with **NewtonAI** in the role of **Cybersecurity Specialist**, spanning the period from **November 16, 2025** to **May 16, 2026**. During this training contributions extended across client-driven initiatives and internal product innovation projects, involving structured project execution, collaboration with project leads and delivery of outputs consistent with NewtonAI's standards of precision, security and enterprise readiness

Projects undertaken included:

1. **Broken Authentication Testing** – Assessed broken authentication vulnerabilities—session fixation, credential stuffing, weak logins—producing exploit demos, impact analysis, and OWASP-aligned mitigation strategies.
2. **Wi-Fi Network Auditing using Aircrack-ng** – Built a wireless monitoring lab to capture WPA/WPA2 handshakes and demonstrate dictionary cracking with aircrack-ng, delivering ethical, documented audit findings.
3. **Google Dorking for Information Gathering** – Developed and evaluated Google dorks to discover exposed public-site data, documenting ethical use cases and remediation recommendations.
4. **Docker Container Vulnerability Assessment** – Deployed vulnerable web apps in Docker, performed Trivy CVE scans, and delivered vulnerability reports plus remediation and container hardening best practices.
5. **Web Application Reconnaissance using OWASP ZAP** – Conducted web application reconnaissance using OWASP ZAP to identify XSS and SQL Injection vulnerabilities, delivering a detailed report, remediation plan, and scanning methodology.
6. **MITM Attack Demonstration using Ettercap** – Built a virtual lab simulating MITM via ARP poisoning with Ettercap/Wireshark, analyzed captured traffic, identified compromised data, and recommended HTTPS/VPN mitigations.

We confirm the successful completion of this On Job Training and extend our best wishes for future professional endeavours.

Best regards,

Rajesh Thakkar
